The Lesson

Lesson Title	To Love - Jesus loves the little children
Text	Mark 10: 13 - 16
Lesson Objective	The children learn that Jesus Christ wants to spend time with them because he loves them dearly.

Lesson Summary:

Jesus and his disciples were testifying to large crowds of people. Moms and Dads were excited to see Jesus and wanted Jesus to bless their children. The disciples rebuked the Moms and Dads for bringing their children to Jesus. They thought the children would bother Jesus, however Jesus said, "Let the children come to me, the Kingdom of God is for them and all who are like them". Jesus wanted to bless the children and spend time with them, because he also wants them to be part of God's family.

What does this lesson mean for us today?

- Jesus Loves and cares for all people, especially little children.
- Jesus wants us to love and care for our families and friends.
- Jesus will always have time for all of us.
- All children like us are welcomed in Gods family.
- Jesus shows us how to love one another.

Some questions that we can ask:

1. Question: Why did parents bring their children to Jesus?

Answer: So that He could bless them.

2. Question: Why do you think Jesus was displeased with the disciples?

Answer: He didn't want the disciples to stop the children from coming to Him, because they were important. He wanted to spend time with them and bless them.

3. Question: Does the Kingdom of God only belong to grown-ups?

Answer: No, to children also.

4. Question: Do you think that Jesus thought that answering difficult questions was more important than spending time with the children?

Answer: No, Jesus stopped what He was doing to spend time with the children.
